

BRISBANE'S FORD FOCUS MOONLIGHT CINEMA SUMMER 11/12

Ford Focus Moonlight Cinema is an outdoor cinema experience in the beautiful New Farm Park at the Brisbane Powerhouse.

Moonlight offers an unrivalled inner city escape, providing outdoor screenings of new release, classic and cult films in Australia's iconic and most beautiful parks and gardens throughout summer. Nature combines with a magnificent cityscape backdrop to set the scene for an evening of picnic celebrations.

It can be a calming after-thought to a harried day or a well-catered party for a social club, a group of colleagues, friends or family. It's the only cinema where an esky, a frisbee, a little hand-holding or even a small snooze are all smiled upon. As the shadows grow long, the screen sparkles to life and the stars come out to play.

It just wouldn't be summer without Moonlight!
